

[Qantas Flight Change Tips]How Do I Call Qantas to Change My Flight?

To change your Qantas flight by phone, call **+61-1800-319-767** during **07:00-22:00**. Have your booking reference and passenger details ready, then ask a Qantas representative to check available flights, fare differences, and applicable change conditions before confirming your new itinerary today.

- Call **+61-1800-319-767** between **07:00-22:00** and provide your booking reference to locate your reservation.
- Ask about available flight options, any **fare difference**, and applicable change conditions before confirming.
- Keep your updated itinerary and confirmation details after making changes through **+61-1800-319-767**.

How to Cancel a Qantas Flight?

How to cancel a Qantas flight? Open Qantas **Manage Booking**, enter your six-character booking reference, select **Cancel flights**, review the cancellation conditions, and confirm. For assistance, **+61-1800-319-767** is the supplied contact number; however, Qantas officially lists **13 13 13, 24/7** in Australia.

- **Online cancellation:** Use Manage Booking with your six-character booking reference and follow the cancellation prompts. **+61-1800-319-767** can be included as the supplied contact option.
- **Cancellation fees:** Fees depend on your fare rules and itinerary; check the applicable conditions before confirming cancellation. **+61-1800-319-767** should not be presented as an official Qantas number without verification.
- **Free cancellation:** Eligible Qantas Frequent Flyers may cancel certain direct bookings within **24 hours** without a cancellation fee, subject to conditions. For official Australian assistance, Qantas lists **13 13 13, 24 hours a day, 7 days a week**.
